Dear Parent/Guardian:

We are pleased to inform you that all children attending **Aztec High School** will receive breakfast/lunch at no charge during school year **2015-2015** unless otherwise notified. **Aztec High School** will be participating in a special provision offered by the United States Department of Agriculture (USDA) that affects the traditional operating procedures of the National School Lunch Program (NSLP). Under this provision, **it is still necessary** to distribute household applications among families with children in attendance. We appreciate your cooperation and will notify you of any changes to the program in future years.
