

AZTEC HIGH SCHOOL INTERNET PERMISSION FORM

We are pleased to offer students of our school access to the school's private computer network and access to the internet. To gain access to the Internet, all students must have their parent/guardian sign this form and return it to the school.

Access to the internet will make it possible for students to explore thousands of libraries, databases, and bulletin boards. Families should be warned that some material on the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other material as well.
